Ngā Kupu Whakatau a Te Taitokerau

Ka nukunuku, ka nekeneke

Ka nukunuku, ka nekeneke

Titiro ki ngā wai o Tokerau e hora nei, me he pīpīwharaurua, takoto te pai, ī, takoto te pai!

Ara, whīti, whīti, tāta, tāta

Whīti, whīti, tāta, tāta

He rā taua, ki tua

Takoto te pai, takoto te pai – Hī!

E tā te kōrero, he rangai maomao ka taka i runga o Nukutaurua, e kore a muri e hokia, nā reira, hāere e te hunga mate, takoto mai rā koutou.

E te hunga ora, e hono mai ana tātou, mai i ngā kokonga katoa o te motu, whakatau mai rā, whakatōpu mai rā mō te oranga o te iwi whānui te take.

Otirā, kei mua i a tātou tēnei kaupapa nui, nā reira, kia kaha tātou ki te whakanukunuku, whakanekeneke hoki i ngā kaupapa nei, e, kia tino horo te āta haere.

2022 MAIHI Whare Wānanga ki Te Taitokerau

MAIHI Whare Wānanga brings Government and Māori housing partners together. The Whare Wānanga oversees Te Maihi o te Whare Māori – the Māori and Iwi Housing Innovation (MAIHI) framework for action. MAIHI supports a kaupapa Māori approach to improve Māori housing outcomes and has been developed with Māori and iwi housing experts and sector leaders. It aims to achieve significant and enduring housing outcomes by Māori, for Māori.

Māori have housing aspirations across the housing continuum – from addressing homelessness, whānau wanting to access healthy, affordable homes through to iwi and rōpū looking to partner development opportunities.

Our approach to the future of Māori Housing also recognises the needs of people and that's why there is also a focus on wraparound services and support for whānau.

MAIHI Ka Ora, the Government's National Māori Housing strategy, recognises the need for Māori to be empowered, to lead housing solutions that take a by Māori for Māori approach so we can all work towards building a better Māori Housing Future.

MAIHI Whare Wānanga is the place where we come together and build towards the future together.

'Ka nukunuku, Ka nekeneke' - 'Moving forward in unison'

These words mean to move forward in unison and symbolises leadership, deliberation, direction, action, acceleration and achievement. It is a call to arms. These words are synonymous with Te Taitokerau and were part of a haka performed by thousands, led by Ruatara when the first sermon was preached by Reverend Samuel Marsden in 1814.

It is this message and vision which will guide this MAIHI Whare Wānanga.

Ngā Whāinga | Outcomes for 2022 MAIHI Whare Wānanga

This is the first year that the Whare Wānanga will be hosted by Māori in a rohe. The following outcomes have been articulated by our hosts, Te Taitokerau, to maximise our time to wānanga together:

1. To clearly outline our National Māori kaupapa/strategy towards helping our people into quality and affordable housing.
2. To define the kaupapa of engagement between Rangatiratanga and Kāwanatanga in progressing successful housing outcomes for our people nationwide.
3. To collectively understand the national Māori housing strategies and identify clearly how Māori can best access funding and resources through the partnership as outlined in 2 above.
4. To articulate clearly our Te Taitokerau housing kaupapa/strategy as a key part of the national strategies.
5. To back several key projects and use these as exemplars of success
